JW Steakhouse was established in 2005 in Priceville, AL and after a couple of years the demand for off-site catering could no longer be ignored, so JW Catering was born and even though we cater large and sometimes elaborate events, we remain an independent locally-owned and operated catering service which still delivers what you would expect from a neighborhood caterer. We consistently deliver excellent food, great service, flexibility, all the while maintaining attention to detail. We offer full service catering with everything from table linens, serving pieces and servers to make your event a complete success. We also continue to provide our convenient drop off service which is both economical and user friendly. We provide for every need by including plates, cups, napkins, utensils, beverages and ice. Below you will find our popular self serve menu which is perfect for meetings, church functions, family reunions, weddings and countless other occasions. We hope when you find yourself in need of a caterer, you will contact us at 256-355-5660. If you are looking for something this menu does not provide, please contact us, we will be happy to provide a custom menu to meet your style as well as your taste.

Sincerely,

*Jody Witt*  
JW Catering
